

## **IMPORTANT TERMS OF OUR HOME EQUITY LINE OF CREDIT**

(10-Year Draw / 10 year Repay)

This disclosure contains important information about our home equity line of credit. You should read it carefully and keep a copy for your records.

**Availability of Terms:** All of the terms described below are subject to change.

If these terms change (other than the ANNUAL PERCENTAGE RATE) and you decide, solely as a result of such change, not to enter into an agreement with us, you are entitled to a refund of any fees you paid to us or anyone else in connection with your application.

**Security Interest:** We will take a mortgage on your home. You could lose your home if you do not meet the obligations in your agreement with us. YOU SHOULD CHECK WITH YOUR LEGAL ADVISOR AND WITH OTHER MORTGAGE LIEN HOLDERS AS TO WHETHER ANY PRIOR LIENS CONTAIN ACCELERATION CLAUSES WHICH WOULD BE ACTIVATED BY A JUNIOR MORTGAGE.

**Possible Actions:** We can terminate your line, require you to pay us the entire outstanding balance in one payment, and charge you certain fees if:

- You engage in fraud or material misrepresentation in connection with the line.
- You do not meet the repayment terms.
- Your action or inaction adversely affects the collateral or our rights in the collateral.

We can refuse to make additional extensions of credit or reduce your credit limit, or both, if:

- The value of the dwelling securing the line declines significantly below its appraised value for purposes of the line.
- We reasonably believe you will not be able to meet the repayment requirements due to a material change in your financial circumstances.
- You are in default of a material obligation in the agreement.
- Government action prevents us from imposing the ANNUAL PERCENTAGE RATE provided for or impairs the priority of our security interest such that the value of the interest is less than 120 percent of the credit line.
- The maximum ANNUAL PERCENTAGE RATE is reached.
- The creditor is notified by its regulatory agency that continued advances constitute an unsafe and unsound practice.

The initial Agreement permits us to make changes to the terms of the Agreement at specified times or upon the occurrence of specified events.

**Minimum-Payment Requirements:** During the Draw Period, your payments will be due monthly. Your minimum monthly payment is the amount, if any by which your outstanding principal loan balance exceeds your Credit Limit, plus the amount of accrued but unpaid finance charges, late charges, and any other charges authorized by this Agreement, including, without limitation, any expenses or advances incurred by us. During the Draw Period the minimum payment may not fully repay the principal that is outstanding on your Account.

After the draw period ends, you will no longer be able to obtain credit advances and must repay the outstanding balance over a specified period of years (the “repayment period”). The repayment period is **120** months, and, during the **120**-month repayment period, your payments will be due monthly and your minimum monthly payment will equal **1/120th** of the principal balance that was outstanding at the end of the draw period plus finance charges that accrued on the outstanding balance during the billing cycle.

**Minimum Payment Example:** If you made only the minimum payments and your outstanding balance was **\$10,000.00**, and the **ANNUAL PERCENTAGE RATE** was **4.750%**, it would take **20** years to pay off the **\$10,000.00** balance. During that period, you would make **120** payments of **\$39.58**, followed by **120** payments varying between **\$83.66** and **\$122.92**.

**Fees and Charges:** To open and maintain an account, you must pay the following fees:

<b>Application Fee</b>	<b>Cove Federal Credit Union</b>	<b>\$</b>	<b>P.O.C. 300.00</b>
<b>Annual Charge: (due each year beginning on the first anniversary of opening the account)</b>		<b>\$</b>	<b>50.00</b>
<b>Demand Statement Expedited Delivery Fee: (due when account paid in full)</b>		<b>\$</b>	<b>0.00</b>

**Third Party Fees:** Cove will obtain credit report(s), a Special Flood Hazard Area Determination, a title opinion or property report, an exterior appraisal or other written valuation, and will record the security instrument at our expense. Additional services required or requested as a result of the analysis of these items will be the responsibility of the member.

**Prepayment/Termination Fees:** N/A

**Reimbursement Fees:** N/A

**Refundability of Fees:** If you decide not to enter into this line of credit within three days of receiving this disclosure and the Home Equity brochure, you are entitled to a refund of any fee you may have already paid.

**Property Insurance:** In addition to these fees and charges, you must carry insurance (including, without limitation, flood insurance if required) on the property that secures the line. You may select the insurance company or agent of your choice, provided the insurance company and coverage meet our requirements.

**Minimum Credit Line Requirement:** The minimum credit line you can receive is generally **\$10,000.00**.

**Transaction Requirements:** Any single credit advance to you will not be less than \$500.00. You may request advances up to eight (8) times per year.

**Tax Deductibility:** You should consult a tax advisor regarding the deductibility of interest and charges for the line.

**Variable-Rate Feature:** The line has a variable-rate feature, and the **ANNUAL PERCENTAGE RATE** (corresponding to the periodic rate) and the minimum monthly payment can change as a result.

**APR:** A recent **ANNUAL PERCENTAGE RATE** imposed on similar lines of credit is **4.750%**. The **ANNUAL PERCENTAGE RATE** includes only interest and not other costs.

The **ANNUAL PERCENTAGE RATE** is based on the value of an index. The index is the highest prime rate as published in the “Money Rates” table of *The Wall Street Journal*. To determine the **ANNUAL PERCENTAGE RATE** that will apply to your line, we add a margin to the value of the index.

The initial **ANNUAL PERCENTAGE RATE** is “discounted” - it is not based on the index and margin used for later rate adjustments. The initial, discounted rate will be in effect during the first \_\_\_\_\_ months (approximately \_\_\_\_\_ months) after your line is open.

The initial **ANNUAL PERCENTAGE RATE** is not discounted.

Ask us for the current index value, margins, discount and **ANNUAL PERCENTAGE RATES**. Margins vary depending on combined loan to value ratios, underwriting criteria and certain account features. After you open a credit line, rate information will be provided on periodic statements that we send you.

**Rate Changes:** The **ANNUAL PERCENTAGE RATE** can change monthly. (If the initial rate is “discounted,” the **ANNUAL PERCENTAGE RATE** can change monthly once the initial “discount” period expires.) The maximum **ANNUAL PERCENTAGE RATE** that can apply is **15.000%** and the Minimum rate is **3.000%**. Apart from this rate “cap,” there is no limit on the amount by which the rate can change during any one-year period.

**Maximum-Rate and Payment Examples:** If the **ANNUAL PERCENTAGE RATE** during the draw period equaled the **15.000%** maximum and you had an outstanding balance of \$10,000.00, the minimum monthly payment would be **\$125.00**. If the initial rate is “discounted,” this maximum **ANNUAL PERCENTAGE RATE** could be reached during the N/A billing cycle (approximately the N/A month) of the draw period. If the initial rate is not “discounted,” this maximum **ANNUAL PERCENTAGE RATE** could be reached during the first month of the draw period.

If you had an outstanding balance of \$10,000.00 at the beginning of the repayment period, the minimum monthly payment at the maximum **ANNUAL PERCENTAGE RATE** of **15.000%** would be **\$208.33**. This **ANNUAL PERCENTAGE RATE** could be reached during the first month of the repayment period.

**Historical Example:** The following table shows how the **ANNUAL PERCENTAGE RATE** and the minimum monthly payments for a \$10,000.00 outstanding balance would have changed based on changes in the index over the past 15 years. The index values are from the first business day of January of each year. While only one payment amount per year is shown, payments during the repayment period would have varied during each year.

The table assumes an outstanding balance of \$10,000, that only the minimum payments were made, and that the rate remained constant during each year. It does not necessarily indicate how the index or your payments will change in the future.
